

# circRNA Custom Synthesis &

Customization Service (1-4 kb)

**Ultra Stable  
Circular RNA!**

**Sequence Verified  
Production**

**High Translation  
Efficiency**

**Custom  
circRNA  
Design**

**Back-Splice  
Optimization**

**IRES  
Integration**

**Chemical  
Modifications**

**High Purity  
& QC**

**Accelerate Your Research with Premium circRNA Solutions!**
